*Michael A. Russo has been involved in floral design since 2003, after a long career as an Art Educator. He is a certified CT master Gardener and a long time member of CTNOFA. An inquisitive naturalist, he is able to weave unique and natural elements into his botanical designs. He has shared his knowledge of Victorian Language of Flowers with Martha Stewart and been featured in Organic Gardening and Connecticut Gardener Magazine. He is excited about sharing his ideas, designs and concepts with you.*
