www.watertowngardenclub.org

PROGRAMS

All of the programs sponsored by The Watertown Garden Club are free and open to the public. Each is a source of valuable information related to gardening , horticulture, environmental issues, wildlife and general beautification of properties.

The Program Committee utilizes the vast knowledge offered through CAES, DEEP, local specialists and nationally acclaimed speakers. Some past topics include:

Interactive lecture by the Livingston Ripley Waterfowl Conservancy

“Lights Out CT” and Bird Migration

“Cute, Clever, Classic: a floral design for every lifestyle”

“Hop Brook Dam History, Flora and Fauna”

“Sustainable Produce Using Hydroponics”

“Mushroom Identification for Beginners”

“The Healing Garden”

“Growing Annuals from Seed”

“Black Bears in Connecticut”

Also programs about fungi, young forests, insects, weather , conservation, types of gardening, plant species and so much more! Become a member today!
